

The Porch Pickup Project

Library News

UPDATE: Today we had a day of experimentation and started our "Porch Pickup" service... and things went pretty well.

We'll have staff on hand for this service on Monday, Wednesday, and Friday from 10:00 AM to 2:00 PM. You can put books on hold through the PINES app, or call us at (706) 376-4655 to request a book (or books) or other materials. The library building is still closed, but you tell us when you can pick the books up and we'll check them out to you and have them waiting in the library vestibule for you to stop by.

We're hoping to expand to having the building open -- in a limited way -- beginning a week from Monday, but we'll be announcing more details about that (and more details about Porch Pickup) next week.

Have a great weekend, and stay safe!
