Hart County Library is currently operating on a limited schedule. **We're open from 10:00 AM to 2:00 PM on Mondays, Wednesdays, and Fridays.**

We are open to the public during these hours (masks are required), but we're still operating our "Porch Pickup" for reserved books/materials, as well. Give us a call at **706-376-4655** for additional information.

We're not doing copies or faxes just now, but we have three public computers available for 30-minute sessions (please call to reserve a time), or, if you just need a document printed, send it in an e-mail to hartlibrarynews@yahoo.com (being sure to include your name and phone number) and we'll print the document and call you when it's available.
