From your Friends of the Hart County Library: The bookstore will be open from 11 to 1 on Wednesdays and Fridays in December (except for Christmas Day). At this time, we are not accepting book donations to the bookstore.

\$5/bag book sale will continue through the end of the year so it is a good time to stock up on books by your favorite author.

The Wine, Cheese, and Jazz annual fundraiser for 2021 has been postponed. When it is safe to reschedule the event, we will let you know so watch for the news.
